## BILLING & TERMS

**Minimum monthly service fee:** \$500–\$1,000 depending on volume.

**Billing cycle:** storage is billed monthly in advance; fulfillment and handling are billed monthly in arrears.

**Payment terms:** Net 30 from invoice date. Late payments may incur interest at 1.5% per month.

**Carrier charges** (UPS, FedEx, USPS, LTL) are billed separately at cost.

**Eco storage** includes energy-efficient warehouse lighting, recycling program, and eco-compliant waste handling.

**Receiving** includes palletization (if required), barcode check, and inventory entry.

**Price adjustments:** fees may be revised with 30 days written notice to reflect market conditions, labor costs, or operational changes.

**Liability cap:** the lesser of the actual value of the goods or \$10,000 per occurrence, unless otherwise agreed in writing.
